ANNUAL REPORTS

of the

**Selectmen & Other Town Officers
for the year ending December 31, 1991**

FROM THE SELECTMENS' OFFICE
1991

1991 Goshen had her "200 years of incorporation Birthday Party" and what a grand celebration it was, Music, Indians, Bagpipes, Cannons, Horses, Antique Cars, Floats, Food and even a smattering of dignitaries. Many people pulled together and worked hard to make the Bicentennial happen. It is this kind of community spirit that makes our little town such a delightful place to be part of. A big Thank You to everyone involved, for a job well done and a great time.

You may have noticed a new "green box at the Transfer Station, this box is on loan from the NH/VT Solid Waste District and is for tin cans only. You may also have noticed that there are fewer tires. Two loads of tires were hauled out this year, hopefully one more load will clean up that item. The Town continues to wait on the State for the green light on its closure plan. A fee system for those items we cannot send to the incinerator, was put in place this year. These fees should be able to help defray the cost involved in getting rid of these non-burnable items. Also, after a long wait, the Lear Hill Bridge Project got underway and was completed just in time to be part of our Birthday celebration.

This year, 1991, has been an interesting one in the Selectmen's office and it looks as if 1992 should be also.

Ruth N. LeClair
Chairman, Board of Selectmen

TOWN WARRANT

TOWN OF GOSHEN
The State of New Hampshire

THE POLLS WILL BE OPEN FROM 11:00 AM TO 7:30 PM.
TOWN MEETING WILL BEGIN AT 7:30 PM.

To the inhabitants of the Town of Goshen in the County of Sullivan in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Goshen Town Hall in said Goshen on Tuesday, the 10th day of March next, at 11 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To see if the Town will vote to amend the zoning ordinance, adding a new SECTION 13: FLOODPLAIN DEVELOPMENT REGULATIONS, with the required definitions and specifications for development within the floodprone area. The basic requirement of these regulations is that new or substantial improvement of residential structures be elevated to or above the 100-year flood level and new or substantial improvements of non-residential structures be either elevated or water-proofed to or above the 100-year flood level.

Rationale: Adoption of this amendment, which is the minimum requirement of the Federal Emergency Management Agency, will allow the Town of Goshen to participate in the National Flood Insurance Program. The Town's participation in this program allows property owners to purchase flood insurance; will allow banks that are federally insured to provide mortgages to property owners in floodplain areas; and will allow the Town to receive federal disaster relief funds in case of a flood disaster.

3. To receive the reports of the Town Officers of Goshen and take any necessary action thereon.
4. To see if the Town will authorize the Selectmen to borrow money in the form of Tax Anticipation Notes, in the anticipation of taxes.
5. To see if the Town will vote to accept the following ordinance as proposed by the Conservation Commission:

Goshen Town Ordinance Number .01

Parking at Gunnison/Williamson Park is allowed only between 5:00 AM and 9:30 PM. Vehicles found at other times are in violation of this ordinance and will be ticketed with a fine not to exceed \$50.00 and may be towed. If a vehicle is towed, the owner of such vehicle will be liable for the cost of tow, as well as subject to fine.

6. To see if the Town will vote to accept the following ordinance as proposed by the Conservation Commission:

Goshen Town Ordinance Number .02

Alcoholic beverages are prohibited at Gunnison/Williamson Park Area. Violators may be fined, with fine not to exceed \$50.00.

7. To see if the Town will vote to approve the following increases for Town Officers, as listed below:

<u>Office</u>	<u>Current</u>	<u>Projected</u>	<u>Raise</u>
Town Clerk	\$ 6300	\$ 6800	\$ 500
Tax Collector	6300	6800	500
Treasurer	1800	2200	400
Health Officer	150	200	50
Welfare Officer	300	500	200
Selectman, Chair	3000	3300	300
Selectmen, Others	2200	2500	600(x2)
Total of Increases - \$2550			

The total amount necessary for these raises is included in Article 9 under Town Officers Salary.

8. To see if the Town will vote to approve the following increases for Ballot Clerks and Supervisors of the Checklist:

<u>Office</u>	<u>Current</u>	<u>Projected</u>
Supervisors (per meeting)	\$ 10.00	\$ 20.00
Supervisors (per election)	20.00	25.00
Ballot Clerks	20.00	25.00

The amount necessary for these increases is included in Article 9 under Election and Registration Expenses.

9. To see if the Town will vote to raise and appropriate the following sum of money for General Government:

Town Officers Salary	\$26350.00
Town Officers Expenses	12500.00
Election & Registration Expenses	2300.00
Cemeteries	1600.00
General Government Buildings	15000.00

Reappraisal of Property	2500.00
Planning & Zoning	4750.00
Legal Expenses	1500.00
Advertising & Regional Association	564.00
Foxglove (Gunnison Brook) Escrow	2000.00
Town Audit	<u>500.00</u>

Total \$69564.00

10. To see if the Town will vote to raise and appropriate the following sums of money for Public Safety:

Police	\$12600.00
Ambulance	2889.00
Fire	7300.00
Building Inspector	500.00
Civil Defense	<u>100.00</u>

Total \$23389.00

11. To see if the Town will vote to approve a raise of One Dollar (\$1.00) per hour each for the Road Agent and Road Agent's Assistant. (This article not recommended by the Budget Committee.)

12. To see if the Town will vote to raise and appropriate the following sums of money for Highways and Streets:

Maintenance (Selectmen's Budget \$43000).	\$40000.00
Bridges	4000.00
Street Lighting	120.00
General Highway Expense	13000.00
Highway Block Grant	<u>16762.00</u>

Total \$73882.00

13. To see if the Town will vote to raise and appropriate the following sums of money for Sanitation:

Solid Waste Disposal	\$41000.00
Tire Removal	2000.00
Recycling/Building Waste	3000.00
Land Fill Testing	13000.00
Septic Feasibility Study	<u>50.00</u>
(Selectmen's Budget \$500.00)	

Total \$59050.00

14. To see if the Town will vote to raise and appropriate the following sums of money for Health and Welfare:

Sullivan County Hospice	\$ 250.00
Lake Sunapee Home Health	2248.00
Senior Center.....	300.00
Direct Assistance	<u>5000.00</u>

Total \$ 7798.00

15. To see if the Town will vote to raise and appropriate the following sums of money for Culture and Recreation:

Library	\$ 3800.00
Patriotic Purposes	400.00
Conservation Commission	<u>350.00</u>

Total \$ 4550.00

16. To see if the Town will vote to raise and appropriate the following sum of money for Debt Service:

Tax Anticipation Notes\$10000.00

17. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars (\$800.00) for the Tax Map Update and to authorize the withdrawal of this amount for this purpose from the Tax Map Capital Reserve Fund.

18. To see if the Town will vote to raise and appropriate the following sums of money to be placed in established Capital Reserve Funds:

Highway Truck Capital Reserve (Est.1990)	\$20000.00
(Selectmen's Budget \$10000)	
Reappraisal Capital Reserve (Est.1990)...	\$ 3000.00
Construction & Reconstruction of Town-	
Owned Bridges (Est.1991)	\$ 1000.00
Police Dept. Cruiser Capital Reserve ...	\$ 5000.00

19. To see if the Town will vote to allow the Selectmen to enter into a lease purchase agreement for a One-ton Truck, costing \$37000.00, and to raise and appropriate \$12300.00 for this year's payment. (This article not recommended by the Budget Committee.)
20. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars (\$800.00) to put in a well for the Highway Department. (This article not recommended by the Budget Committee.)
21. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5000.00) to seal and resurface two miles of blacktop road at the rate of \$2500.00 per mile.
22. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5000.00) for a professional Town Audit of all Town books.

23. To see if the Town will vote to raise and appropriate the following sums for Miscellaneous Purposes:

FICA, Retirement Contributions	\$ 7000.00
Unemployment	400.00
Insurance	<u>30000.00</u>

Total \$37400.00

24. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive, and expend federal and state grants which may become available during the course of the year in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money.
25. To see if the Town will vote to authorize the Selectmen to convey any real estate acquired by the Town by Tax Collector's Deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised, sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80.
26. To take up any other business as may legally come before this meeting.

Given under our hands and seal, this twenty-fourth day of February, in the year of our Lord nineteen hundred and ninety-two.

REPORT OF THE HIGHWAY DEPARTMENT 1991

Your highway department completed a busy year in 1991.

Roadsides were mowed, and if it is done annually the woody growth should be under control. Blasting was done to remove rocks and ledge that interfere with plowing, mowing and drainage, and are hazards to navigation.

The bridge on Lempster Coach Road was reinforced and the guard rails renovated. The head wall and guard rail on Mummery Road bridge were rebuilt as needed and the stone bridge on Cross Road near Rt. 31 was repaired. About 16 tons of cold patch was used on our black top roads. I have recommended to the Selectmen and Budget Committee that we fund a seal coat on at least one mile of paved road in 1992. This will not make the roads much smoother but it will keep them from getting worse.

3" of bank run gravel was applied to Rand Pond Road, 3" of crushed gravel was applied to the hill on Lempster Coach Road and 3" of crushed gravel on the hill on Brickyard Road. Money is included in the 1992 budget to start putting gravel on the long flat on Cross Road.

Many culverts have been repaired, lengthened or replaced and every culvert that has been worked on has had cement or stone headers built to insure that the ends do not get crushed. We still have a LONG way to go.

It was my intention to cut brush during the winter but the constant ice along with repairs to tired equipment has kept us busy. As I write this report, the whole Northeast is afflicted with ice boils and frozen culverts.

I have included in my budget recommendation, \$37,000 for the purchase of a NEW heavy duty 1 ton truck with dump body, plows, and sander ready to go to work. The truck can be bought on a lease purchase agreement with one third due each year. At the end of three years the town will own it. This is the way your loader was purchased and it worked out well.

Whoever you vote for in March for Road Agent, PLEASE do not tie their hands. Give them the tools they need to serve the town.

Respectfully submitted,
Edwin I. Baker
Road Agent

REPORT OF THE GOSHEN FIRE DEPARTMENT 1991

In 1991 your fire department answered 25 calls with 202 men responding. Records show 342 hours of fire related service to the town and 886 hours contributed to cleanup, training and meetings. Reported fire loss is recorded at \$26,300.

Your firefighters are ALL volunteer. They do not receive compensation for their time, and leave their work, bed, supper tables, and families and friends to serve their community when called. Thank them when you see them.

By the time this report is printed 2 more firefighters will be enrolled in a certification class that will represent about 110 hours of training per man. One firefighter completed a 4 day civil defense seminar in Concord in 1991.

We hope to bury the large tank you see in back of the fire house. This will give us a 5,000 gallon reservoir to use in the village for firefighting if we can't get to the river. We are also working with Fish & Game, State Highway Dept., and land owners to try to improve the Rand Pond outlet and establish a fire pond at the roadside.

Our annual auction and other fund raising activities earned over \$2,000 (net) for our equipment fund.

Although the location of our dispatch service has changed, the phone number has not. Please remember, to report a fire in Goshen dial 542-5155. Use this number for **FIRE EMERGENCY ONLY**.

For burning permits call Forest Warden Arthur Nelson at 863-1509. For all other fire department business call 863-2055 or 863-3143.

I offer my sincere thanks to the firefighters for their many hours of work and training. A special thanks to the wives and families for understanding, and to the dispatchers, auction crew, town officials, and to all the citizens and taxpayers for their help and cooperation given to make the Goshen Volunteer Fire Department an effective service to the town.

Respectfully submitted,
Edwin I. Baker
Fire Chief

TO: Forest Fire Wardens - For Town Annual Report

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fires in 1991 were non-permit, children and smoking materials. 450 wildland fires in New Hampshire burned approximately 150 acres for an average fire size of one-third acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system and the quick response of our trained local fire departments.

In every municipality, there is a Forest Fire Warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the N.H. Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year, presented by the N.H. Forest Fire Service, to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In New Hampshire, any open burning, except when the ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor.

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank you for being fire safe.

GOSHEN POLICE DEPARTMENT 1991 REPORT

To the townspeople in the town of Goshen;

The past year the department covered about 170 calls. During the year we covered 27 domestic's, 8 accidents, 17 animal calls and various other calls including burglaries, speed complaints, vandalisms and court days.

Court days were because of the domestics, dog complaints and a juv. problem.

The Goshen Ocean was no doubt my biggest problem, but with help from the conservation committee and the selectman we now have town ordinance's so this year there will not be the wild parties that last year saw.

I'd like to thank the fire department for their assistance at the accident scenes and their help at the Goshen Ocean.

The Ford cruiser was also repaired at the end of the year so hopefully we will not have any major breakdowns to keep it out of service.

If anyone needs to talk with me and I am not home, please leave a message on my machine, I know there are some people who do not like to talk on them but it is the only way I know you want me, you can find me at S&R often. If you have an emergency call Newport PD and they can call me if I am not available they will call a trooper.

Thank you for the support in the past year and I am looking forward to serving you this year.

Respectfully,
Jerri Bruno, Chief

Goshen Fire Department gets dressed up for The Bicentennial

REPORT OF OLIVE G. PETTIS LIBRARY 1991

The trustees of the Olive G. Pettis Library meet quarterly on the second Monday of January, April, July and October to conduct the business of the library. Viola Wright is chairman.

In February the Reverend Ronald G. Whitney retired after having served as librarian since 1984. The Trustees presented him with several gift books as tokens of his appreciation for his years of service.

Early in March Jean Barrett was hired to be librarian. Jean has approached her job with enthusiasm and attention to detail. She has worked on the filing system and taken inventory. In the summer she initiated a story hour for children with Aunt Cloe (Young) that ran until Halloween. A successful children's summer project was run by her daughter, Holly VanDey.

The Trustees assisted the Friends of the Library at their annual book fair in June. The porch and railing on the building were repaired in 1991 and the flagpole was repainted.

October saw our library proudly decked out in bunting for the opening flag raising ceremonies of the Goshen Bicentennial Celebration. The Bicentennial Time Capsule is now on display there.

Treasurer Harold Barker reports that \$650.00 was spent on new library materials. The librarian has concentrated on buying reference material and new books for the children's section and starting a video library of educational and children's videos. She reports that there are 26 new patrons. For the first time tax forms are available at the library.

"Our little library is a jewel", says Mrs. Barrett. It is the hope of the Trustees that more and more residents will take advantage of it and its services.

Respectfully submitted,
Patricia Stephan,
Secretary

CONSERVATION COMMISSION 1991 REPORT

Meetings were held at the Firehouse on the fourth Wednesday of each month. Applications and reports were discussed and acted upon when required.

Several requested investigations were made and findings reported to the Wetlands Board.

Some trail work was done at Gunnison Lake, the grass mowed and several clean-up jobs were done. Incidents during the summer have indicated the need for published rules, for the use of the area.

The Commission is grateful, and compliments the members of the local Boy Scout Troop for their fine work of improving Newton Park on Route 31.

The Treasurer reports a year end balance of \$2,203.87.

Respectfully submitted,
Arthur W. Nelson, Chairman

The girl scouts remember the past with their parade float.

BICENTENNIAL CELEBRATION

December 27, 1991 was the 200th anniversary of the incorporation of Goshen. The event was marked by the presentation of a time capsule to the Selectmen by the Goshen Historical Society and the Bicentennial Celebration Committee. The capsule, which is on permanent display in the Olive G. Pettis Library, contains numerous photographs, documents and other memorabilia recording the town's history and giving a snapshot of Goshen and its people as they are today. A hand blown bottle and bronze coin that were made for the 1969 celebration of Goshen's settlement and the suncatcher and coffee mug that were made for this year's celebration are visible through the transparent front of the capsule. It is planned that the capsule be opened and then resealed on the 250th anniversary of incorporation, in December, 2041.

This year's celebration began in May with a series of talks at the town hall, an open air concert in August, the Bicentennial Old Home Day Festival, including a parade and a performance of "On Golden Pond", on October 5 and 6, and a gospel music and Christmas carol sing at the Community Church in December. The celebration was funded by \$1,000 from the town budget voted at town meeting in March, a like amount contributed by the Historical Society, and the proceeds of various fund raising activities put on by the Bicentennial Committee.

The Committee members were Cindy and Ken Baron, Jean Barrett, Mary Lou Brown, Kathy Davis, Ernie Dennis, Gerry Dickerman, Judy Filkins, Ruth, Ted and Ian LeClair, Peter Merrigan, Doris Newman, John Scranton, Fred Smith, Marie Starr, Pat Stephan and Tyna Willett.

Those wanting to purchase a commemorative handmade suncathcer can get one from Dave Stephan.

PLANNING BOARD 1991 REPORT

Among the business it conducted during 1991 the Planning Board approved one annexation and three minor subdivisions and gave approval to a subdivision subject to conditions. It also held a hearing on a preliminary plan for the cluster development near Rand Pond.

Lillian Scranton was voted in as acting chairman after the expiration of Roland Gagnon's term. When Lillian resigned from the Board in June because she would no longer be able to attend meetings on a regular basis, Joseph Mileti became acting chairman.

The Planning Board participated in a meeting of representatives of all the Town Boards in October.

Late in the year the Planning Board met with the Selectmen and a representative from the Upper Valley Regional Planning Council to draft the zoning amendment that will allow home and business owners in floodplain areas to obtain flood insurance through the National Flood Insurance Program. A public hearing was held January 2, 1992 on the amendment which will be voted on at Town Meeting.

The Planning Board meets on the first and last Tuesday of the month at 7 p.m. at the Town Hall. The meetings are open to the public.

REPORT OF NEWPORT AMBULANCE SERVICE Calendar 1991

In calendar 1991, Newport Ambulance Service responded to 734 calls, most of which were emergencies. There were 15 responses to the Town of Goshen, compared to 21 calls for service in 1990.

Over the past year, we have received substantial donations from individuals, private groups and businesses. These financial gifts have allowed the department to upgrade both equipment and training levels without burden to the taxpayers.

Newport Ambulance is currently staffed with a full time Paramedic two EMT-Intermediates and nine EMT's. The entire staff is skilled in cardiac defibrillation and seven members have recently completed advanced training at the EMT-I level.

The Ambulance Department wishes to thank the Town of Goshen for their continuing support.

Respectfully submitted,
Brian W. Tracey, Director

Peace and quiet comes at last with the end of the Old Home Day Celebration

**LAKE SUNAPEE REGION
VISITING NURSE ASSOCIATION
1991 REPORT**

Lake Sunapee Region Visiting Nurse Association and its affiliates, Lake Sunapee Home Care and Hospice and Lake Sunapee Community Health Services, provide health care services for people in Goshen, regardless of their ability to pay within the fiscal constraints of the agency. These services include the following: pediatric and adult home care by nurses, physical, occupational, and speech therapists, medical social workers, home health aides, homemakers, and respite workers; hospice services, including volunteers to assist people in their homes, bereavement support to families of patients who died, and volunteer training programs; well-child clinics for children from birth to six years of age; a parent-child program; nursing consultation and assistance to area day care centers and schools; and blood pressure and influenza clinics.

President and CEO

NH/VT SOLID WASTE PROJECT 1991 ANNUAL REPORT OF ACTIVITIES

The waste-to-energy plant and the ash landfill contracted or operated by the New Hampshire/Vermont Solid Waste Project for processing and final disposal of solid waste generated within Project towns performed their function successfully again this past year. Several issues, however, have consumed a considerable amount of time and been points of concern at times throughout the year. Among these have been the continuing shortage of district waste, the contract negotiation talks with Wheelabrator Claremont L.P., and the ongoing litigation between the Project and Kimball Chase, Pike Industries, and Caswell, Eichler and Hill.

The Project guaranteed to Wheelabrator Claremont L.P. 47,500 tons of solid waste in 1991. This is the minimum amount allowed under the present contract. We will deliver to the Wheelabrator facility just over 40,000 tons in 1991. The prime causes of this shortfall have been the deepening recession, increased commercial and residential recycling, and diversion of district trash to less expensive disposal sites.

In April the project and Wheelabrator, by mutual consent, decided to sit down and talk about specific changes in the existing contract. These talks have continued throughout the year. The major issues covered by these negotiations were the maximum and minimum levels of the guaranteed annual tonnage, recycling credits and ash disposal. The negotiating committee and Wheelabrator now have principles of agreements of these issues that will be addressed by the Districts and Joint Committee early in 1992. The decision whether to alter the contract or not will come as a result of this examination.

The litigation between the Project and Kimball Chase, Pike Industries, and Caswell, Elchier and Hill is scheduled to go to trial on March 2, 1991. This case has been very complex and has lasted much longer than anticipated.

The planning and design of the second stage of the ash landfill is virtually complete. Final plans have been submitted to the NH Department of Environmental Services. During the design process it was determined that a Wetlands permit would be required from both the Army Corps of Engineers and the NH Wetlands Board. The Corps of Engineers permit has been issued and the NH permit is expected in January. Construction on the second stage is expected to begin in April of 1992.

During 1991, the operations of New Hampshire and Vermont municipal recycling facilities and Project operations have expanded. In Springfield and Windsor, Vermont, totally new drop-off facilities were brought on-line. Springfield built a pole barn and Windsor bought metal roll off containers. Cavendish and Ludlow closed the landfilling sections of their transfer station facilities and expanded and redesigned other areas. Weathersfield built a new recycling storage facility as well as a waste oil tank facility. Rockingham and Westminster have continued required testing prior to building their drop-off/processing center at the old Rockingham Town Dump. It should be built in early 1992.

In New Hampshire the major processing facilities of Claremont, Meredith and Sunapee have all expanded. Claremont has two vertical balers, and both Meredith and Sunapee built new storage buildings. The Town of Plainfield is studying whether to continue their curbside contract for trash and recyclables or establish a user fee based transfer/recycling facility.

During the Spring and Fall, Project programs included coordinating four tire pick ups for seven Project towns. Staff also helped to facilitate town marketing of used corrugated cardboard and magazines into local paper mills. Third, the Project

coordinated Christmas tree mulchings in five Vermont sites. Lastly, the Project's Household Battery Program shipped 26 - 55 gallon drums of dry cell batteries collected both from municipal and retail drop-offs.

In terms of 1991 Grants, New Hampshire municipalities received metals recycling collection containers. In Vermont, the Project assisted municipal facility expansions and the Harlow Farm Composting Grant. The latter is a unique grant for a private farm combining its own agricultural wastes, other food processing business wastes, and leaf and yard wastes from neighboring municipalities.

Solid Waste Planning has continued in the Project with several tasks. The first task was the Vermont required metals separation analysis. The three options analyzed were source separation at residences and work places, front-end and back-end separation at the waste-to-energy facility. This study was completed in December 1991. Second, committees were formed in order to give input into the District and Project as a whole. A Project MRF/Depot committee was formed. A new Vermont Recycling Planning Committee was formed. A New Hampshire Goals Committee was formed. These committees should complete their work in early 1992 so that a Vermont District plan for all waste and for all towns will be completed by Summer of 1992.

In conclusion, other events should be noted. In November 1991, BFI closed its landfill in Rockingham, Vt. By establishing a new transfer station, non-combustible by-pass waste is still able to be managed through BFI for disposal in Chicopee, MA. With Act 78's required closing of all other Vermont lined landfills by July 1992, the Project will be looking at all options for non-combustible waste. Besides BFI, the landfills Waste USA, Sanco Consumat, and Windham Solid Waste District have been contacted. These options will be investigated in 1992.

Assistant Superintendent of Schools	Arthur G. Jillette, Jr.
Business Administrator	Allen Damren
Office Personnel	Katherine Brown
	Marlene Chamberlain
	Joyce Merrow
	Krystyna Samiec
	Gloria Taylor
	Lori Wilcox

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Goshen-Lempster Cooperative School District, in the towns of Goshen and Lempster, in the county of Sullivan, in the state of New Hampshire, qualified to vote in the district affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School Gymnasium in Lempster, on the 14th. day of March, 1992, at three o'clock P.M. to act upon the articles set forth in the Warrant. Articles 1, 2, and 3 of the Warrant covering the election of Moderator, Member of the School Board from Lempster, Member of the School Board from Goshen, and Auditor will be acted upon at three o'clock P.M., and voting will be by official ballot and Checklist. The polls will remain open for this purpose from three o'clock P.M. until at least seven-thirty o'clock P.M. At seven o'clock P.M., the remaining articles will be acted upon.

ARTICLE 1.

To choose a Moderator for the ensuing year.

ARTICLE 2.

To choose a member of the school board from Lempster for the ensuing five years, and to choose a member of the school board from Goshen for the ensuing four years.

ARTICLE 3.

To choose an auditor for the ensuing year.

ARTICLE 4.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

ARTICLE 5.

To see if the district will vote to raise and appropriate the sum of ONE MILLION FIVE HUNDRED AND SIXTY THOUSAND EIGHT HUNDRED AND TWENTY SIX DOLLARS (\$1,560,826) as recommended by the school board, for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at TWO HUNDRED TWENTY TWO THOUSAND FIVE HUNDRED AND THIRTY THREE DOLLARS (\$222,533).

ARTICLE 6.

To see if the district will vote to raise and appropriate the sum of FORTY TWO THOUSAND NINE HUNDRED AND EIGHT DOLLARS (\$42,908) as a deficit appropriation to the 1991-92 budget for the purpose of meeting the unexpected costs of special education.

ARTICLE 7.

To see if the district will vote to raise and appropriate the sum of TWENTY THOUSAND FOUR HUNDRED AND TWELVE DOLLARS (\$20,412) for the support of a full-time Library Aide and associated supplies and materials.

ARTICLE 8.

To see if the district will vote to raise and appropriate the sum of FIFTEEN THOUSAND FOUR HUNDRED AND SIXTY SEVEN DOLLARS (\$15,467) for the support of a half-time Physical Education Teacher and associated supplies and materials.

ARTICLE 9.

To see if the district will vote to raise and appropriate the sum of FIFTEEN THOUSAND TWO HUNDRED AND SIXTY SEVEN DOLLARS (\$15,267) for the support of a half-time Art Teacher and associated supplies and materials.

ARTICLE 10.

To see if the district will vote to raise and appropriate the sum of FIFTEEN THOUSAND AND SEVENTEEN DOLLARS (\$15,017) for the support of a half-time Music Teacher and associated supplies and materials.

ARTICLE 11.

To see if the district will vote to raise and appropriate the sum of FIVE THOUSAND SEVEN HUNDRED AND NINE DOLLARS (\$5,709) for the support of a one fifth-time Guidance Counselor.

ARTICLE 12.

To see if the district will vote to raise and appropriate the sum of FOUR THOUSAND ONE HUNDRED AND THIRTY DOLLARS (\$4,130) to increase the time of the school nurse from one-fifth to two-fifths time.

ARTICLE 13.

To see if the district will vote to rescind the article passed at the District Meeting dated March 16, 1991 in which a fee of \$1.00 per person, per use of the gymnasium was authorized for any non-student use occurring in non-school hours, and authorize the establishment of a fee system based upon a reasonable estimate of additional costs for heat, light, and other services required by such use of the facility. (This article is submitted by petition.)

ARTICLE 14:

To see if the district will authorize the school board to apply for, accept and expend, without further action of the School District meeting, money from any source that becomes available during the year, as outlined in RSA 198:20-b, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the school board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other school district funds.

ARTICLE 15:

To transact any other business that may legally come before this meeting.
Given under our hands this 27th. day of February, 1992.

MINUTES OF THE ANNUAL MEETING
OF THE GOSHEN-LEMPSTER SCHOOL
DISTRICT
MARCH 16, 1991

ON A MOTION BY ARTHUR JILLETTE AND A SECOND BY EMILY FAIRWEATHER, THE POLLS WERE OPENED AT 3:11 P.M. FOR THE PURPOSE OF VOTING ON ARTICLES 1, 2 AND 3.

The business meeting was recessed until 7:00 p.m. by Moderator John Williams. The meeting was called to order at 7:00 p.m. by Moderator. All board members were present along with Superintendent Anne Segal.

ARTICLE 1.

To choose a moderator for the ensuing year.

John Williams was elected Moderator for a one year term by 123 votes. Other votes cast were as follows: Kevin Onnella - 3, Phil Tirrell - 3; and John McCarty, John Hopkins, Dan Morse, Don Cady, Arthur Jillette - 1 each.

ARTICLE 2.

To choose a member of the school board from Goshen for the ensuing five years.

John Scranton was elected for the 5 year term with 142 votes. Other votes cast were as follows: Ted LeClair - 3, Kevin Onnella - 3 Daryl Cady 2; and Tom Sherman and Ruth LeClair - 1 each.

ARTICLE 3.

To choose an auditor for the ensuing year.

Daryl Cady was elected Auditor with 99 votes. Other votes cast were as follows: Don Allen - 11, Barbara Chadwick - 4; and Fred Smith, Nick Scalera, Ellen Stetson, Phyllis Clark, John Williams, Ed Baker, David Stevens, Arthur Jillette, Kevin Onnella - 1 each.

ARTICLE 4.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

MOTION MADE BY MARY WALTER AND SECONDED BY DAN PETERSON.

Michael Shklar noted an error on the proposed budget under the OFFICE OF THE PRINCIPAL. The figure of \$6,166 for Dental Insurance really included Health Insurance also. The \$2,216 was for Retirement, the \$3,843 was for Social Security, and the \$321 was for Workmen's Compensation.

ARTICLE 4 WAS VOTED UNANIMOUSLY IN THE AFFIRMATIVE.

ARTICLE 5.

To see if the district will vote to raise and appropriate the sum of ONE MILLION SIX HUNDRED SIXTY ONE THOUSAND TWO HUNDRED NINETY THREE DOLLARS (\$1,661,293) as recommended by the school board, for the support of the schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at ONE HUNDRED SIXTY EIGHT THOUSAND SIX HUNDRED TWENTY ONE DOLLARS (\$168,621).

MOTION MADE BY MARY WALTER AND SECONDED BY SUSAN HOPKINS TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF ONE MILLION SIX HUNDRED FORTY NINE THOUSAND SIX HUNDRED SEVENTY SIX DOLLARS (\$1,649,676) AS RECOMMENDED BY THE SCHOOL BOARD, ...

Mary Walter explained that the School Board was lowering the total proposed budget to reflect a decrease in the cost of retirement for the coming year. Michael Shklar told the voters that the budget figures represented the School Board's estimate for the cost of the services presently provided at the school.

TIMOTHY JACOB MOVED TO AMEND THE TOTAL BUDGET FIGURE TO \$1,469,083. OLIVER PINTER SECONDED THE MOTION. After a presentation by Timothy Jacob supporting his proposal, and much discussion by the voters, KEVIN ONNELA MOVED THE QUESTION, SECONDED BY BOB LUPPOLD. MOTION TO CEASE DISCUSSION WAS UNANIMOUS. THE MOTION TO AMEND THE ARTICLE WAS APPROVED BY A HAND COUNT. RESULTS OF THE VOTING WERE YES - 141 AND NO - 57.

DORIS ADLER MOVED THAT THE AMENDMENT BE AMENDED TO \$1,491,222 WHICH WOULD BE THE SAME AMOUNT APPROPRIATED FOR THE PREVIOUS YEAR. HENRY FRANK SECONDED THE MOTION. THE AMENDMENT WAS DEFEATED BY VOICE VOTE.

AFTER MORE DISCUSSION, LINDA JANICKE MOVED TO CEASE DEBATE. KEVIN ONNELA SECONDED THE MOTION. VOTE TO CEASE DISCUSSION WAS UNANIMOUS IN THE AFFIRMATIVE. ARTICLE 5 WAS APPROVED BY A VOICE VOTE AT \$1,469,082.

ARTICLE 6.

To see if the district will vote to raise and appropriate the sum of THREE THOUSAND SIX HUNDRED EIGHTY EIGHT DOLLARS (\$3,688) to increase the time of the school nurse from one-fifth to two-fifths time.

MOTION MADE BY DORIS ADLER AND SECONDED BY FRED SMITH. ARTICLE 6 WAS DEFEATED BY A VOICE VOTE.

ARTICLE 7.

To see if the district will vote to raise and appropriate the sum of \$14,955.31 for the support of a half-time guidance counselor.

MOTION MADE BY MICHAEL SHKLAR AND SECONDED BY SUSAN HOPKINS. AFTER A BRIEF EXPLANATION MICHAEL SHKLAR MOVED THE QUESTION. THE VOICE VOTE TO CEASE DEBATE WAS IN THE AFFIRMATIVE. ARTICLE 7 WAS DEFEATED BY A VOICE VOTE.

ARTICLE 8.

To see if the district will vote to no longer provide and fund the class of kindergarten. (This article is submitted by petition.)

Note: Legal counsel for the district has indicated that a vote under this Article will be advisory only.

MOTION MADE BY STEPHEN CASEY AND SECONDED BY JOHN MICHAELS. AFTER DISCUSSION PHILIP KEELER MOVED THE QUESTION AND SHAUN BEST SECONDED THE MOTION. VOTE WAS UNANIMOUS TO CEASE DEBATE. ARTICLE 8 WAS DEFEATED BY VOICE VOTE.

ARTICLE 9.

To see if the district will vote to approve the following statement: We the taxpayers of the Goshen-Lempster School District feel compelled to speak up to the State and Federal Government protesting the prohibitive cost of our local education. A large portion of this cost we have no local control over. We the taxpayers of Goshen-Lempster district acknowledge that we also are responsible, in part for our present plight. However, the simple fact is we cannot afford the ever-increasing taxes for the education of our youth.

(This article is submitted by petition.)

Note: Legal counsel for the district has indicated that a vote under this Article will be advisory only.

MOTION MADE BY ROBERT B. ENGLISH AND SECONDED BY TIMOTHY ADAMS. ARTICLE 9 PASSED BY A VOICE VOTE.

ARTICLE 10.

To see if the district will vote to collect \$1.00 per person per use, for any non-student utilization of the gymnasium occurring in off-school hours. (Exceptions are the use of the gymnasium for public meeting.) The school board shall be responsible for collection of this fee, and the funds shall be added to the general fund of the Goshen-Lempster District School.

(This article is submitted by petition.)

Note: Legal counsel for the district has indicated that a vote under this Article will be advisory only.

MOTION MADE BY PHILIP KEELER AND SECOND BY OLIVER PINTER TO SEE IF THE DISTRICT WILL VOTE TO COLLECT \$1.00 PER PERSON PER USE FOR ANY UTILIZATION OF THE SCHOOL'S GYMNASIUM IN OFF-SCHOOL HOURS. EXCEPTIONS SHALL BE:

- 1) THE USE OF THE GYMNASIUM FOR PUBLIC MEETING
- 2) THE USE OF THE GYMNASIUM FOR EXTRA CURRICULAR ACTIVITIES FOR STUDENTS OF GOSHEN-LEMPSTER SCHOOL (SUCH AS BASKETBALL, SCOUT MEETINGS, AND 4-H CLUB GATHERINGS)
- 3) ANY OTHER USE FOR WHICH THE SCHOOL BOARD DEEMS IT PROPER AND JUSTIFIABLE TO GRANT A WAIVER

FEES SHALL BE COLLECTED BY PERSON (S) REQUESTING USE OF GYMNASIUM AND GIVEN TO THE PRINCIPAL OR SCHOOL BOARD WITHIN ONE WEEK AFTER USE. SAID FUNDS SHALL BE ADDED TO GENERAL FUND OF GOSHEN-LEMPSTER DISTRICT SCHOOL.

Philip Keeler explained that the school board had said that the original article as stated in the Warrant was too vague. This is why he moved a modified version of the article with more definite clarifications.

ARTICLE 11.

To see if the district will authorize the school board to apply for, accept and expend, without further action of the School district meeting, money from any source which becomes available during the year, as outlined RSA 198:20-Ob, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the school board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other school district funds.

MOTION MADE BY MICHAEL SHKLAR AND SECONDED BY TIMOTHY JACOB. THE ARTICLE WAS PASSED UNANIMOUSLY BY A VOICE VOTE.

ARTICLE 12.

To transact any other business that may legally come before this meeting. Given under our hands this 18th day of February.

David Keeler asked the School Board to let the citizens know what services they can volunteer to the school.

James Elmore suggested that the voters write to the State and Federal governments to say that we cannot afford all their mandates.

Timothy Jacob suggested that next year's minutes of the school meeting include a full record of each article voted upon.

The polls closed at 9:25 p.m.

MOTION MADE BY EVERETT THURBER AND SECONDED BY KEVIN ONNELA TO ADJOURN THE MEETING. VOTE TO ADJOURN WAS UNANIMOUS BY VOICE VOTE. MODERATOR JOHN WILLIAMS ADJOURNED THE MEETING AT 9:18 P.M.

Respectfully submitted,

Shura Gale
District Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Towns of Goshen and Lempster

I write to you this year with mixed feelings. The educational opportunities for the students at the Goshen/Lempster Cooperative School are not as varied nor are there as many as have been available in years past. Yes, students are learning. Teachers are continuing to find ways to meet the learning needs of individual students. However, all this goes on in an environment that does not include the opportunity to use the school library on a daily basis nor the opportunity to learn new skills and participate in activities that teachers of art, music and physical education had been offering in previous years. Without the availability of a nurse, even one day a week, eye, ear and scoliosis screenings were not done. As usual, we had a few outbreaks of head lice which were not followed up with head checks.

The response of parents and community members to the needs of the Goshen/Lempster Cooperative School have been very gratifying. Lacking the needed additional kindergarten session, parents organized a play group. With the blessing of the Newport School Board, the Newport elementary nurse reviewed student health records to verify immunizations. Last years' art teacher volunteered her time to help students do a wall mural and volunteers worked with teachers on everything from dramatic productions to preparing classroom materials.

We need to look at our schools carefully. We need to assess what we are doing and be able to measure what our students are learning. Educators have been trained and are paid to do these things. However, the educators are so much more effective when community members and parents join them. The schools belong to the people in the towns of Goshen and Lempster and what happens in them should be the result of the decisions made jointly by educators, parents and community members.

Even though I lament the loss of the art, music and physical education teachers; the nurse; and the use of the library facilities, I celebrate the work and the interest shown in the education of the students of the Goshen/Lempster Cooperative School by all of you who have given so much of your time and energy. Thank you.

Respectfully submitted.

Anne S. Segal
Superintendent of Schools
2/3/92

PRINCIPAL'S REPORT

1991

The year Nineteen Hundred Ninety-One found us right in the middle of an economic recession; the educational program of the Goshen-Lempster Cooperative School would suffer as a result. But hard times tend to bring people together, and citizens of the community working with staff members at the school strove to provide school based activities for the children of the community.

There were many activities that shaped the past year. Some of the special events were:

January:

Three students were honored by the Reprisal Chapter of the D.A.R. for last year's essay contest:

First Place (6th grade).....Amy Jacobsen
Second Place (tie - 8th grade).....Joseph Abraham
Honorable Mention (8th grade).....Jason Lake

February:

Under the direction of Mr. Ronald Purmort (Chapter I), a Geography Bee was organized into two levels of competition: Grades 4 & 5 and Grades 6,7 & 8. The contest categories were: World Geography, Places in the News, U.S. Geography, Famous Places, New England, Landforms, State Capitals, Picture Geography, Continents and Cities. The winning teams were:

Grades 4 & 5.....Kurt Haselton, Mike Jones,
Christine King, Ronald King and
Cassie Wright

Grades 6,7 & 8.....Tammy Magoon, Robert Meeks,
Annette Pelletier and
Kristen Steadman

March:

On March 16, seven Goshen-Lempster students competed as a team in the New Hampshire Odyssey of the Mind competition at Mascoma High School. The students (Ted Davis, Ed Bruno, Evalyn Moul, Carlee Shields, Dan Sherman, Ian LeClair, and Chris Moore) placed sixth out of eighteen schools (a good first time showing against experienced teams). The team presented an original play about the lost Roman city of Pompeii. The students were coached and supported by parents Ms. Marilyn Sherman, Mr. Edward LeClair and Ms. Jerri Bruno.

International Four-H Youth Exchange delegate Shawn Evans gave a dynamic presentation to students and staff of his experience in Botswana, Africa.

Ms. Rochford's Kindergarten class and Ms. Williams' Transition class traveled to the Stetson's farm to view their maple sugaring operation in action.

On the evening of March 21, Ms. Thackaberry and several of her P.E. students performed a gymnastics show for parents. Events of the program were the Balance Beam, Parallel Bars, Uneven Parallel Bars, Floor Exercises and a Parachute Exercise to "Ripplin Waters". The students performing were: Kim Carnevale, Shannon Caron, Erica Lake, Tammy Magoon, Evalyn Moul, Annette Pelletier, Rikki Shepard, and Kent Stetson.

April:

Eric Adler (7th grade), after placing first at the school level, went to Keene State College on April 5, to compete in the National Geography Bee at the state level.

Sue Morris of the Fish and Game Department gave a presentation to third and fourth grade students on New Hampshire's wild life.

On the evening of April 18, a Spring Concert was performed for parents and friends of the community. Prior to the concert, Ms. Moul's students presented their art work in an Art Show. Then Ms. Gates' students performed a variety of musical routines for guests.

May:

On the evening of May 16, the school Science Fair was held in the gymnasium. Certificates and cash awards were made to students with top projects (compliments of the P.T.C.). Students who were recognized for their projects were:

Grades 1, 2 & 3: 1st - Mathew O'Clair.....Sugar House
2nd - Billy Shields.....Mirrors
3rd - Ben Carleton.....Feeding Space
Travelers

Grades 4, 5 & 6: 1st - Todd Wilcox.....Constellations
2nd - Myles Stetson.....Sugaring
3rd - Tyler House.....Human Electricity
3rd - Adam Howard.....Pneumatic Truck

Grades 7 & 8: 1st - Beth Clark.....Wind Mill
2nd - Anna Scelera.....Tooth Decay
3rd - Melissa Baker.....The Sun's Energy

June:

At an awards assembly, Ms. Bradeen, who would not be returning in September, was honored by parents and members of the staff for twenty-five years of service. Members of the P.T.C. presented Ms. Bradeen with an engraved school clock.

On the evening of June 17, Eighth Grade graduation was held in the school gymnasium. Joseph Abraham was the Class Valedictorian; Hillary Smith was the Class Salutatorian; and Kezia Montgomery received Third Honors. Diplomas were issued by School Board Chairman Michael Shklar, and the Reverend Marshall gave the Invocation and the Benediction. A reception for the graduates, organized by the P.T.C., followed in the school cafeteria.

September:

The first day of school in September was difficult for the people at the school. There were so many faces missing and so many activities that would not be happening (Art with Ms. Moul, Library with Ms. McGinnis, Music with Ms. Gates, P.E. with Ms. Thackberry, and nursing services and health classes from Ms. Sherman). These people had been in their positions for many years and had brought a great deal of quality to their respective curriculums, to the school and to the students. With each passing day the impact of the loss has become greater; they are sorely missed.

There were several new faces at school for the start of the new school year. Ms. Janice Bellavance of Newport replaced Ms. Lori Pedley as Special Education teacher; Ms. Helen Hodgeman joined our staff as a Special Education teacher for an S.A.U. program; and Mr. Todd Gregory became our custodian, as of July, replacing Mr. Juan Boardman who left after five years of service.

This past summer, some of the teachers met to plan strategies for dealing with the lack of school programs for the new school year. A product of this effort was the creation of the Mid-Level Team comprised of the classrooms of Ms. Lord, Mr. Ekstrom and Ms. Wells. This very successful idea entailed having the students rotate classes and thereby sharing the three teachers for part of the day. Each teacher has his or her self contained class in the morning for reading and math. After lunch, the students exchange classrooms for Language Arts (Ms. Wells), Social Studies (Ms. Lord) and Science (Mr. Ekstrom). The accomplishment of this project has been two fold: the students are stimulated from the exposure to several teachers and classrooms (a factor that would be missing from the loss of Art, Music, P.E. and Library); and the teachers have strengthened their scholastic programs through the sharing of ideas and strategies.

Ms. Bronder's seventh grade class spent a week at the shore in Wakefield, Rhode Island, participating in Nature's Classroom. The students' mornings were spent on cooperative learning and problem solving activities. Their afternoons consisted of various classes such as dissecting sharks and squid, and their evenings were spent on class and social activities. The students and their parents planned and did fund raising for a year to make this trip a reality.

Volunteerism hit a new level at the Goshen-Lempster School. Many citizens of the community offered their expertise and help in an effort to compensate for the losses due to budget cuts. Some of the people who have given their time selflessly are Ms. Roberta Roberts, Ms. Susan Scalera, Ms. Lynn Osgood, Police Chief Jerri Bruno, Ms. Ruth LeClair, Mr. Edward Leclair, Ms. Marilyn Sherman, Ms. Fran Jacobsen, Ms. Heather Downey, Ms. Marianne Dennis, Ms. Kim Bevilacqua, Ms. Tammy Fleweling, Ms. Patti Koscielniak, and others. As a result of the tremendous response from the people this past Fall, the school staff is presently formalizing a school volunteer program.

The P.T.C. met in September to greet new members and school volunteers. The order of business was to plan fund

raising activities for the year; to begin plans for the Country Christmas Crafts Fair in November; and to elect officers for the coming year. Ms. Susan Scalera succeeded Ms. Daryl Cady as President (Ms. Cady did an outstanding job leading the P.T.C. through its first Country Christmas Crafts Fair); Ms. Jane Skeie remained as Vice President; Ms. Chris Smith stayed on as Treasurer; and Ms. Marianne Dennis replaced Ms. Sharon Parsons as Secretary.

October:

A Community/School Public Relations Committee was formed under the direction of Ms. Terry Smith and Ms. Marianne Dennis. The basic goals of the committee are to facilitate voter registration and to inform voters of the present school situation. Members of the committee spent a great deal of time this past Fall conducting a telephone campaign involved with contacting community members who are not registered to vote.

As a result of an increased enrollment in Kindergarten accompanied with the cutting of the afternoon session, the morning Kindergarten session needed to be split to accommodate all of the youngsters. This meant that the students would be coming to school only two days per week. In response to this dilemma, Ms. Heather Downey and Ms. Marianne Dennis proposed the formation of a Community Playgroup. The Playgroup, utilizing the vacant Art room, provides a program for students on the days that they are not scheduled for Kindergarten class. Other parents who have volunteered their time for this wonderful effort are Ms. Lynn Osgood, Ms. Kim Bevilacqua, Ms. Tammy Flewelling, and Ms. Susan Blackwood.

November:

On Sunday, November 22, the P.T.C. held its second annual Goshen-Lempster Country Christmas Crafts Fair at the school. The Fair was active with displays of crafts (students' and professionals'), hay rides, raffles, a visit from Santa Clause, and a variety of foods. Despite the economic doom and gloom, holiday spirit was in the air. Many parents and teachers invested a great deal of time in this project. Even members of the administration were involved; Superintendent Segal took photos of students with Santa (Assist Supt. Jillette) and Mrs. Clause (Ms. Rickard). The Fair was a huge success from both a festive and a financial standpoint. The classroom craft tables brought in money to fund field trips, and the P.T.C. raised funds to sponsor programs for the students in the coming year.

December:

On December 2, Ms. Maxfield's and Ms. Parsons' classrooms traveled to the Concord Auditorium to attend the Victor Herbert holiday musical production of Babes In Toyland. The students were part of an interactive audience at the musical. The trip was financed through the fund raising efforts of the teachers and the students.

During the week of December 2 through 6, Ms. Brewer and her eighth grade Social Studies class brought the rest of the school into a project called Geography Awareness Week.

The activities of the project included: a National Geography Bee for grades 4 through 8; a time capsule that will be opened by the present Kindergarten class when they become eighth grade students; a T-shirt tally where all of the students wore a hat or shirt from a place that they've visited and listed facts about that place on a map posted in the lunch room; an international menu for the week created by Ms. Tirrell.

Ms. Lord and Mr. Ekstrom accompanied the fifth and sixth grade students to the Indian Museum in Warner. The trip, culminating a Social Studies unit on Native Americans, was sponsored by Mr. Jack Dutra of Goshen.

During the week of December 9 through 13, Ms. Rochford's Kindergarten class organized a food and toy drive for the Christmas season. People of the community were asked to donate toys or canned food that would be forwarded to the Women's Supportive Services for needy families. The drive was very successful in terms of providing for people in need and in terms of communicating to the students the importance of giving. In the words of Ms. Rochford, "Let's work together to make this a happy season for everyone".

The Goshen-Lempster School District (along with every other school district, business and individual) is struggling with the economic recession. Financial cuts, resulting in program and personnel losses, have become the focal point of the past year. Although the losses have created educational hardships, they have also spawned a community awareness. Some of the positive products of the past year's events have been: the formation of the Budget Advisory Committee (comprised of Mr. Fred Smith, Ms. Doris Adler, Mr. Tim Jacob, Mr. Gary Dennis and Mr. Paul Barret); the development of the Community/School Public Relations Committee; and the creation of a formalized School Volunteer Program. These accomplishments were the direct results of the hard work and dedication of the School Board (under the articulate direction of chairperson Mary Walter); the S.A.U. Central Office with professional leadership from Superintendent Segal, Assistant Superintendent Jillette and Business Administrator Alan Damren; members of the the Goshen-Lempster School staff who have invested 150 percent of themselves to ensure a quality school experience for the children of the community; and many citizens of Goshen and Lempster who have volunteered their services to enhance the school's educational program.

It is paramount that we do not become so absorbed in the austerity of the times that we lose sight of the accomplishments of the recent past. It is true that the school has obvious deficits that need to be addressed; the Goshen-Lempster system is becoming increasingly more proficient at evaluating and adjusting its situation. In the midst of everything, let's not forget the wonderful improvements made to the school building by this community. As we continue to enjoy the new facility, let's not forget the hard work, planning and dedication that was responsible for the new school. It is important to remember the efforts of the Building Committee under the leadership of Ms. Judy Filkins. Not so much time has gone by since the

Dedication Committee (directed by Ms. Rachel Tirrell and Mr. Edward LeClair) honored the Craigin family. And how can we forget the generous donation of land for the new school project made by the Craigin family? Times might be hard, but the spirit is still alive.

Respectfully submitted,

John Bonfiglio

1991

This academic year has been filled with a lot of activity and growth for Special Services, which includes Special Education and Chapter I. Programs .

Since the SAU reorganized following the loss of Kearsarge Regional School District, I now have a more direct involvement with educationally handicapped students placed out-of-district than I previously enjoyed. Each student has to be monitored, staffings have to be attended, and a multitude of decisions have to be made on a student by student basis. It is the one program area where I can end up being contacted any hour of the day or night and on weekends to help resolve problems as they arise.

During this past year, I have been directly involved the Chapter I. Programs within the SAU. This program that provides interventions for students who are experiencing difficulties with school work, but who are not so seriously involved as to require Special Education services. This program allows us to try new approaches for teaching students that we may later adopt in all areas of the curriculum.

My involvement with Goshen-Lempster Cooperative School District special education programs has become more direct, simply because I am not attempting to service as many schools as I was in the past. I believe that many good and exciting events are happening on a local school and district level. First and foremost, are our efforts to include special education students in regular classrooms to the maximum extent possible. Goshen-Lempster Cooperative School District and the SAU is involved in a partnership with The Institute For Disability at UNH to provide our staffs with training and technical assistance as we attempt to include handicapped students in regular classes. We are attempting to bring about this program change by including children in the early grades with the assistance of aides and integration consulting teachers which lets us "grow into" this program design. Where appropriate, we have moved a few older students into this program design, but for the most part we are planning to let the older students "age out" in their current program designs. The inclusionary program design is a profound change in program philosophy. However, parents of children who have started their education in this design are generally quite enthusiastic about the many positive gains students make.

There are some students who are unable to fully benefit from our current efforts to provide inclusionary programs. For those relatively few students, we are attempting to build and maintain needed self-contained programs within the confines of the SAU, so that students may continue to live at home while attending appropriate school programs.

Through programs offered by the SAU Inclusionary Program, training for regular and special education teachers was provided to improve their ability to deal with the educational needs of all children. Training is provided through individual consultations regarding particular students, short term workshops, and coursework that may extend over a number of weeks.

Our Chapter I. Program made a commitment to try out the Reading Recovery Program in the Newport school district. This approach, first developed in New Zealand, takes a group of first graders who appear to have the most difficulty with early reading skills, and bombard them for a maximum of 100 multi-method lessons or until they are reading at or above their grade level. In other districts this program has experienced a better than average success. If the program works well in Newport, I would expect that we would then give consideration to greater involvement of our school district in this approach.

In the Goshen-Lempster Cooperative district, we have a really dedicated group of teachers who attempt to keep the interests of the students first and foremost. They have been real advocates for the needs of children at risk for school difficulties. Everyone is working together to provide services which are appropriate and cost-effective!

In closing, I would like to mention one role that I have, which I consider to be perhaps the most important role. That is to be the person who helps to fix our Special Education and Chapter I. services when something does not work to your satisfaction. I need to hear from you when you feel that things are not working well. (I would also like to know when staff people are doing a good job.) I will address your concerns in a direct and confidential manner, and attempt to resolve them to your satisfaction. I am a phone call away at 863-6659. Special Services need to be a successful partnership between parents, teachers and students. I really need to hear from you!

Respectfully submitted,

Arthur G. Jillette, Jr.
Assistant Superintendent of Schools (Special Services)
